30th March 2020

Dear Parents and Carers

As we enter week 2 of school closure, I just wanted to assure you that we are thinking of all our children and families and hope that you are all keeping well. We are here as a school community to help and support in any way we can.

We are trying to put as much information as we can on our websites, including tips about online safety, now that we are expecting children to do their home learning online. Please check the websites regularly for updates.

Our teachers are busy planning learning for after Easter and in the meantime we have posted links to sites that your children can access, to support them with their learning at home. We will continue to add to this in the weeks that follow.

Thank you for your patience with the learning platform access. We hope that this has now been resolved for all who sent in a query or concern. We will continue to work with you to resolve any issues that arise.

It has been very uplifting for staff to receive your thanks and wishes at this difficult time and we thank you for your continued support. We realise that it is very difficult for you to keep your children busy at all times, but have been pleasantly surprised by the many creative tasks that many of you are doing with your children, as well as keeping them on track with their learning: knitting, cooking, gardening, chores around the house amongst others. If you would like to share something new that would help other parents, please e-mail us on info@stbedes.lambeth.sch.uk and we will post your ideas on our websites.

We send you all our very best and are thinking of you all and remembering you in our prayers

Kindest regards

Ewa Ostrynska

Federation Headteacher
